Experience

MarketEQ | UX Research and Design Intern

Jun 2024 – Aug 2024 | Miami, FL

Conducted weekly competitor research and analysis, audited prototypes and screens for alignment with best-in-class examples, created detailed wireframes to enhance user experience, and developed high-fidelity prototypes to refine interface and interaction design.

LOUD Enterprise | Student Ambassador/Designer

Dec 2021 – Dec 2022 | Madison, WI

Designed T-shirts, hoodies, sweatpants, and logos for university clubs, connecting customers with executives to complete orders and identifying potential clients.

Freelance Designer

Oct 2023 – Present | Madison, WI

I designed websites, logos, posters, and social media content for clients and university clubs, completing most projects remotely.
